

2019 Colts – January San Antonio Audition Camp Schedule

Parking

The Barshop Parking lot is the closest parking lot to the audition site. (Shown on the map below.) This is directly across the street from the Rec. Fields and the Baseball stadium off of Barshop Blvd.

All unmarked parking spots on campus are free after 4:30 pm on weekdays and free all day on Saturday and Sunday. The parking garages will charge you per hour. You're welcome to use them, but you won't need to.

Walking

Once you park, you'll need to follow the walkway on either side of the baseball stadium to get to the audition location. (This is marked with green arrows on the map.) The field house storage is located directly behind right field and directly across from the astroturf recreation fields. (This is marked with a red star on the map.)
