1. Corps brass and battery unload at the Convention Center loading dock one hour and 45 minutes before step-off. You have 17 minutes to unload.
2. Pits will still unload at the stadium. They will enter through the Corps Exit tunnel to get into the stadium and go to the warm-up areas.
3. The pits will have a separate schedule from those in the Convention Center. You will be directed to the warm-up area when you enter the stadium. Please do not enter the stadium with your pits until your assigned times. We do not have room for pits to pass each other in the tunnels.
4. All podiums and props will still enter through the Missouri St. ramp and will be staged in Exhibit Hall 1 on the Event Level of Lucas Oil Stadium. Plan on the extra time needed if you have to have performers go to Exhibit Hall 1 to pick up props, etc. You may leave the Convention Center early if you need to get to the Exhibit Hall to move them.
5. DCI parking staff will manage unloading at the loading dock at the Convention Center. Please do not arrive before your assigned time! Space is limited to unload.
6. After unloading, proceed to your assigned hall on the schedule – either Hall J or Hall K. DCI staff will escort you to the correct hall when you are ready.
7. You will have 68 minutes in the hall. There is room to stretch/march/play. Be respectful of how you set up so everyone may have a productive warm-up.
8. 20 minutes prior to step off, please begin heading to the stadium via the Convention Center and the underground connector. We suggest that you walk the route during your warm-up time to make sure you see it and get a feel for the time that it will take. It is important that you leave the warm-up area in performance order. We do not have room to have two drum corps in the tunnel at the stadium.
9. No doctor beat or amplification are allowed in the warm-up area. Please be respectful of being in a large, boomy facility and of each other.
10. When exiting after your performance, you will have time to catch your breath before heading up the exit ramp, but please do not block the ramp since pits, props, etc. are entering there as well.

# INDIANAPOLIS INTERNATIONAL AIRPORT

Welcome to the Indianapolis International Airport! We trust you had a great time in Indianapolis and had fun competing throughout the week. Here are a few reminders about your overnight stay at @INDairport.

## **GOODBYES**

Please start your goodbyes when leaving Lucas Oil Stadium since buses may not sit at the terminal's curb.

## **WATCH YOUR BELONGINGS AT ALL TIMES**

Make sure you do NOT leave your belongings unattended (purse, book bag, suitcase, etc.). Airport Police and the Transportation Security Administration consider unattended items a huge security threat. Please ask a volunteer or DCI member to watch your belongings if you want to leave them for a short time. Thank you!

## **HANG OUT AREA**

Your hang out area is the north end of baggage claim. There are restrooms, benches, and plenty of room to spread out. This helps our 3<sup>rd</sup> shift staff with trash removal, restroom cleaning, overall terminal cleanliness, etc. If you leave this area, please ask someone to watch your stuff. You can go to the Ticketing Hall to line-up for airline check-in at 4 a.m. Floors will be under cleaning until then.

## **SMOKING**

This is a non-smoking and non-vaping facility. There will be a \$75 fine for non-compliance.

## **EAT & ENJOY!**

Check out the link below for current dining information. Some establishments will stay open late, especially for DCI, that may not be noted at the link below.

## **TRASH**

DO NOT shove unwanted items into trash cans. Please follow the signs to a dumpster where you can place your unwanted belongings. Please use our recycling containers throughout the airport for paper, cans, and bottles.

## **CHECK-IN**

Airline ticket counters typically open up two hours prior to their first departure. Check with your airline for specific information.

TSA security checkpoints open at 4:15 a.m. Make sure all liquids over 3 ounces are in your checked luggage and put items less than 3 ounces in a clear, plastic baggie.

Please be respectful of our facility; we take great pride in keeping it clean and safe.

Your cooperation is beyond appreciated.
