DEAR DIRECTOR, as we approach our 58th summer of providing an intensive level of performance education combined with incredible leadership development training, we are pleased to send you our 2020 audition dates on a colorful poster to inspire your students. Together, we can provide a powerful journey of music education. You are apt to have students who would excel in our program, and in the process enjoy a profound and life-changing experience.

The first audition camp for the 2020 Colts is Nov 22-24, 2019 in Dubuque, Iowa, with additional three-day and one-day audition camps scheduled throughout December and January. Students should consider our camps as a workshop, and while our staff will assess their individual skills, camp attendees have a safe environment in which to learn new things and meet new peers. There will be plenty of staff and equipment on hand to ensure everyone participates throughout the camp and performs as part of the Colts.

*There is no obligation to join the Colts by attending a camp.* We want each student who participates to take away a new appreciation for one of their most enjoyable passions... **performing!** Interested students should go to [www.colts.org](http://www.colts.org) and click on the JOIN! banner. Everything they need to know is detailed there, but as always, if they have any questions or concerns contact me directly via email: [colts@colts.org](mailto:colts@colts.org)

Musically yours,

Vicki MacFarlane
