

# Fuel The Corps | Member Fundraiser

# Fuel The Corps

This year, instead of washing cars to raise money for summer tour, we are asking all members to participate in a fundraiser that more directly impacts our summer experience — **FOOD**.

**Every member is expected to raise a minimum of \$200 to help FUEL THE CORPS.**

We all love to eat. And it's nice to every now and then have a special treat. Reach out to people in your world who are proud of your involvement with the Colt Cadets, and ask if they would support you and your fellow members! THANK YOU for participating in this important project. We believe part of our mission at the Colts is to instill the importance of helping others as you go on in life. Together, we can make a difference and impact our world for good.

*\*Meal sponsors will be recognized with a social media post.*
